

Do you believe there is strength in numbers? We do!

Posh Salon & Spa would like to invite you to *Partner* with us!

If you are a Licensed Salon Service Provider with Talent, Passion and Drive, but NO Business or Retirement Plan, we have an offer you can't refuse!

Are you tired of giving away half of your hard earned money? Is it time for you to be a Salon Owner, but you lack Money, Business Experience, and Confidence to open your own Salon? Has the Recession caused you to lose faith in yourself and your current Salon?

If so, you may want to join a new movement in Lexington, which is a Co-op!

What is a Co-op? It's short for Cooperative!

What is a Cooperative? It's defined as:

1. A jointly owned commercial enterprise that produces and distributes goods or services and is run for the benefit of its owners.
2. Done with or working with others for a common purpose or benefit; "a cooperative effort".

In other words, Salon & Spa Professionals that have always wanted to own their own Salon but didn't know how to do it and/or didn't have financing can now band together under one roof to take Lexington by storm! Now we need you to join us in creating the Largest Salon & Spa in Kentucky!

Why Posh Salon & Spa?

1. Opened in November, 2001, Posh is the #1 Salon & Spa in Lexington. Growing to an Enormous \$3.5 million dollars in just 2 years after opening, Posh has maintained the highest Gross Sales for any Salon or Spa in Lexington!
2. Posh has Name Recognition, it's already branded with over \$700,000 dollars in advertising!
3. Posh has a current staff of over 40, servicing 2800 Clients per month!
4. Posh is GROWING in a recession, while other Salons are CLOSING!

If Posh is so wonderful, why would the owner sell it to me?

The owner created Posh, marketed Posh, branded Posh and set up systems that you and others can maintain. In return, you must grow people! While you are growing people, sales are multiplying, the staff is growing, and because of your hard work, profits are soaring! Because you have made the business so successful, the owner is obligated to sell it to you at a fair price, over a period of time. This is why it is called a **Succession Plan!**

Will I need to make an immediate investment?

No, we will show you how to make the money to pay for your stock!

How can I get more information?
